

20 Questions to test your Map Reading Knowledge for Wessex TREC Level 1 members

Use **O.S. Explorer 157 "Marlborough and Savernake"**; or, if you don't have this map, go to www.streetmap.co.uk, choose 1:25000 scale, and paste each grid reference into the search box.

This quiz will ask you to find various grid squares on your map, using 4 figure grid references. If you aren't sure how to use these, please see the separate "Understanding Grid References".

Where you are asked to state directions, use whichever is the best match of the 4 cardinal points North, South, East, West, or the 4 intermediate (or intercardinal) points, NorthEast, Northwest, Southeast, Southwest.
