

Rosettes Kilometriques

Rosettes kilométriques can be claimed (currently foc) by Wessex TREC members for POR kilometres accrued in Wessex TREC events. Use this form, which will be updated at the end of each summer season, to keep a record of the kilometres you have covered. Submit a copy as your claim when you get to 50 kilometres; submit a second, updated copy to claim when you've added another 50 kms and so have reached 100 kilometres...and then claim for 250, 500 and 1000 kilometres.

Enter a 0 in the Kms Claimed box for all those events in which you did not participate.
