Please contact Mel Bowers on 07946 592479 or by e-mail, melaniebowers@btinternet.com , if you can assist us with judging or stewarding on the day. Competitors can also help us with setting up, clearing equipment away, collecting scores etc. No judging experience necessary – we are grateful for all offers of help and you will learn lots from the inside! Even a couple of hours help can make a difference and there are lots of jobs suitable for non- horsey mums/dads/partners. We provide all judges with free refreshments and lunch.

The event manager/organiser will take all reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the officials and stewards on the day.

What is TREC?

TREC is a fun riding event usually comprising three phases. The competition involves the skills and situations a rider might encounter on a hack, including map reading (usually using Ordnance Survey maps usually 1:25 000 scale)

For more information about TREC, please visit the TREC GB website <https://trecgb.com/about/>

Competition Rules

All competitors must comply with the TREC GB Rules as per the 8th edition TREC GB rulebook (plus subsequent amendments), which can be found at <https://trecgb.com/rules/>

In addition, pay particular attention to the following:

- 1) Horses must be a minimum of four years old to compete at Level 1, 2 and 2A and five years old to compete at levels 3 and 4 (i.e. for levels 1, 2 and 2A, a horse born in 2022 may compete in 2026). Mares more than four months pregnant may not compete.
- 2) The welfare of horses competing in British TREC competitions is paramount. No horse may compete if it is unsound or unfit to carry the rider for any reason. Any rider who continues on a horse that they know to be unsound or that has been definitively stopped by the veterinary surgeon or designated competent official on fitness and/ or welfare grounds will be eliminated from the competition.
- 3) Riders under the age of fourteen on day of competition may only compete in Pairs classes and must be accompanied by a rider of **18 years or older**. Pairs ride together for POR and separately for the MA and PTV. Parents/guardians of competitors under the age of 18 on the day of the competition will be required to complete a Parental Consent Form (available on the TREC GB website: <https://trecgb.com/parental-consent-form/>)

- 5) Clearly visible coloured tail wraps/ribbons should be worn to advise other riders of a potential hazard – Red = kicker, Green = young/inexperienced horse, Blue = stallion. If the horse/pony is a stallion then stallion discs must also be worn on both sides of the bridle.

It is your responsibility to familiarise yourself with the basic rules. The TREC GB Rulebook (8th edition issued

in 2026 and the changes to it) can be found on the TREC GB website, <https://trecgb.com/rules/>
